MUHAMMAD MARUF
Frontend Developer

Passionate and self-taught front-end developer with a strong foundation in HTML, CSS, JavaScript, and modern front-end frameworks (React, Next, Vue). Proficient in creating responsive and user-friendly web applications with a keen eye for detail and a commitment to writing clean, maintainable code. Equipped with excellent problem-solving skills and a drive for continuous learning, seeking an opportunity to leverage my expertise and grow as a front-end professional.
